港銀控股有限公司

(incorporated in Hong Kong with limited liability)

(Stock Code: 8162)

INTERIM RESULTS ANNOUNCEMENT
FOR THE SIX MONTHS ENDED 30 JUNE 2017

**CHARACTERISTICS OF THE GROWTH ENTERPRISE MARKET (“GEM”)
OF THE STOCK EXCHANGE OF HONG KONG LIMITED (THE “STOCK
EXCHANGE”)**

GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

Hong Kong Exchanges and Clearing Limited and the Stock Exchange take no responsibility for the contents of this announcement, make no representation as to its accuracy or completeness and expressly disclaim any liability whatsoever for any loss howsoever arising from or in reliance upon the whole or any part of the contents of this announcement.

This announcement, for which the directors (the “Directors” or individually a “Director”) of Loco Hong Kong Holdings Limited (the “Company”) collectively and individually accept full responsibility, includes particulars given in compliance with the Rules Governing the Listing of Securities on the GEM of the Stock Exchange (the “GEM Listing Rules”) for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this announcement is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this announcement misleading.

This announcement shall remain on the “Latest Company Announcements” page of the GEM website at www.hkgem.com for at least seven days from the day of its posting and on the Company’s website at www.locohongkong.com.

MANAGEMENT DISCUSSION AND ANALYSIS

Business Review

The Group's income was mainly generated from the sale of silver products. During the period under review, the silver market price increase on average as compared with the same period from last year. For the six months ended 30 June 2017, the Group processed approximately 239 tonnes (2016: 153 tonnes) of silver scrap. The total processing volume represented an increase of 56.21% when compared with the same period last year. For the six months ended 30 June 2017, the Group recorded a revenue from sales of metal of approximately HK\$1,065 million (2016: HK\$1,132 million), representing an decrease of 6% as compared with last year, of which 97% (2016: 58%) was contributed by sale of silver products and the remaining were contributed by sale of gold and tin.

Outlook

The silver market price fluctuate between US\$15.95 per ounce and US\$18.56 per ounce during the period under review. We expect the silver price as well as silver supply will keep steady and support the Group on its way to recover into profit.

The Group will continue to carry on its sales of metal, which mainly from silver products in the coming future. As our trading business in PRC has been started during the period the Group expect the fluctuation of silver market price which materially affect the performance of the Group will become minimal.

The Group will keep looking for any opportunity for the development of new business, study cooperation opportunities with Chinese or international well-known companies, use of financial and capital instruments; extend new business areas; strive for sustainable development; and generate maximum returns for all the shareholders.

Financial Review

For the six months ended 30 June 2017, the Group had a total income of approximately HK\$1,125 million (2016: HK\$1,124 million), representing a slightly increase as compared with the same period of 2016. The Group recorded loss of approximately HK\$9.4 million (2016: profit of HK\$3.9 million) due to increase in employee costs, finance cost (interests on convertible bonds) and loss on disposal of investment held for trading.
